Cessna 501 Citation I/SP

Description

Exclusively offered by FA Aircraft Sales 1977 CESSNA 501 CITATION I SP

Take your private aviation experience to new heights with this Cessna Citation I/SP - a sleek, high-performance light jet designed for efficiency, reliability, and comfort. With its single-pilot certification, this Citation I/SP is perfect for owner-operators seeking a versatile and cost-effective jet without sacrificing speed or luxury.

Impressive Performance - Cruise at speeds up to 357 knots (661 km/h) with a range of 1,328 nautical miles, making regional and mid-range travel effortless.

Spacious Cabin - Comfortably seating up to 7 passengers, the well-appointed cabin offers a refined travel experience with ample legroom and executive-style seating.

Efficient & Reliable - Powered by twin Pratt & Whitney JT15D-1A engines, the Citation I/SP delivers exceptional fuel efficiency and dependable operation.

Single-Pilot Certified - Enjoy greater flexibility and lower operational costs with the ease of single-pilot operation.

Whether you're flying for business or leisure, this Cessna Citation I/SP offers the perfect blend of affordability, convenience, and performance.

Fly in Style with this 1977 Cessna 501 Citation I SP

Featuring:

Sierra Long Wing Modification, this jet delivers enhanced aerodynamics and fuel efficiency.

Certified to FL410 with RVSM approval for optimal highaltitude cruising.

Equipped with ADS-B Out, WAAS, Thrust Reversers, Anti-Skid Brakes, and an Iridium Satellite Phone, this ensures a smooth, safe, and technologically advanced flight experience.

A refined 7-passenger cabin, where luxurious tan and brown leather seating in an aft club configuration, complete with dual folding tables and an aft bench, creates a spacious and elegant travel environment.

The exterior boasts an excellent-condition off-white finish, accented by red and gold striping, offering a timeless and sophisticated look.

Don't miss the opportunity to own this exceptionally equipped Citation I SP—the perfect combination of single-pilot capability, performance, and executive comfort. Contact us now to learn more or schedule a private viewing!
