→ Aircraft Overview

Step into the future of personal aviation with N197LL, a pristine G2 Cirrus Vision Jet that blends advanced technology, luxury, and performance into the world's first and only certified single-engine jet. This aircraft is ideal for the discerning owner-pilot who demands jet-class speed and capability with the ease and confidence of Cirrus's legendary design.

With JetStream coverage until 844 or July 7, 2026 and a fresh annual completed September 2025, this Vision Jet offers unparalleled peace of mind, making it a standout opportunity for both new and experienced jet owners.

Whether upgrading from a piston or stepping into jet ownership for the first time, N197LL offers a rare combination of low operating costs, cutting-edge avionics, and JetStream-backed reliability. It's as close to factory-fresh as you can get, without the wait.

This is not just an aircraft—it's a lifestyle upgrade.

Luke at Aerista is your go-to resource for all things Vision Jet, offering expert guidance on type training, insurance, financing, and aircraft performance to support every step of your ownership journey.
