**\$34,500**

### Description

A true back-to-basics classic that was converted from a 7AC to a CCM. Recently completed fuselage recover, and fresh paint, done right and fully documented, paired with a Continental C-90 with low hours since overhaul that runs strong and smooth with a brand new Sensenich propeller. Light, honest handling, easy landings, and pure stick-and-rudder flying the way it was meant to be. Clean, straight, and ready to fly. If you're looking for a Champ that's been cared for, not just owned, this is it.

Please Inquire for digital logbooks and additional pictures.
