Description

Turn heads on the ramp with this beautifully equipped 1979 Beechcraft A36 Bonanza - N2261L

Exceptionally maintained, always hangared, and upgraded with modern Garmin avionics including WAAS/LPV capability, Aspen ProMax PFD/MFD, GNS 530W/430 stack, ADS-B Out, JPI engine monitor, and a Century III autopilot with altitude hold. This Bonanza is the perfect blend of classic Beechcraft quality and modern IFR capability.

Powered by a smooth Continental IO-520-BB with strong compressions and a freshly balanced Hartzell 3-blade prop. N2261L offers the performance, reliability, and comfort the A36 is famous for. A beautiful custom leather interior, clean exterior, and a generous 1,086 lb useful load makes it ideal for family travel or business flying.

If you're looking for a turnkey, well-cared-for A36 with excellent avionics, great cosmetics, and no damage history, this is the one.
