**Listing reference number** #600590

### Seller

Chris Kirk

### Quick info

**Listing type:** For sale

### Description

Skip the headache and expense of upgrades and maintenance — this B36TC is ready to go. With all work already done, you save time, money, and the hassle of handling it yourself. The seller's loss is your reward.

Very few B36TCs on the market are as clean, polished, and move-in ready as this one. If you want a premium, six-seat, turbocharged aircraft without the drawn-out prep, this is the one to beat.

Act before someone else realizes the value here.

### **Remarks:**

Your time is important therefore we go the extra mile to see and evaluate each listing, like this B36TC, in person. In other words, we don't accept pictures from the owner/seller that typically only show the good side of an airplane.

Our pictures are recent and have not been "photoshopped." We do this because one, it's the right thing to do, and two, we know how frustrating it can be for you to chase after airplanes that aren't accurately represented.

At WildBlue, we commit to doing everything we can to insure the airplane you see in our ads is an accurate reflection of the airplane you will see in person.

Additional pictures, logs, and videos are available at <http://www.FlyWildBlue.com>

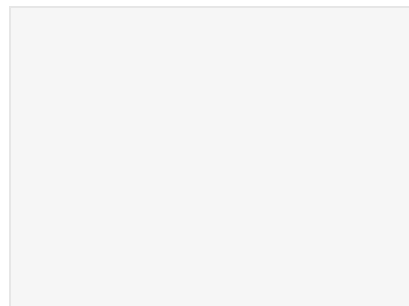

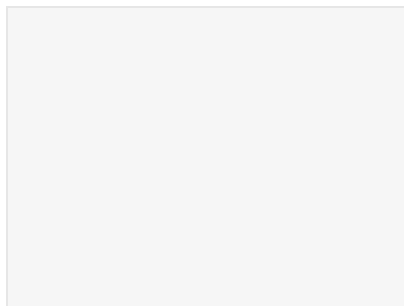

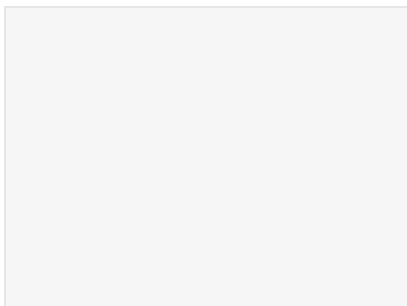

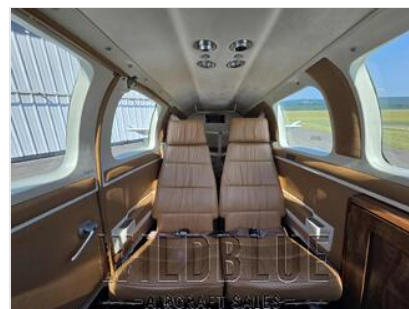

You are strongly encouraged to do a pre-purchase inspection on this or any other airplane you buy. The verification of all specifications presented herein or anywhere else by WildBlue, LLC is the buyer's sole responsibility.
