Inspection:**Inspection Status:**

Lower time, well maintained F33A offered for sale. Aircraft is equipped with TKS panels, making this plane a desirable IFR single engine machine. The current owner stepped up to a Baron and is looking to sell the aircraft. As much as he would love to keep the 33, two aircrafts do not fit the mission. Aircraft was hangared in a heated hangar in Chelan Washington, and now being hangared at Paine Field, KPAE.

Please Inquire for digital logbooks and additional pictures.
