## Description

Pponk power. Composite prop. Mission-ready—Flybuyer Aircraft Sales is proud to offer this float-equipped and Alaska-proven 1975 Cessna 180J. (Wheels included)

This rugged and well-equipped Cessna 180 is ready for work or play—wherever your mission takes you. Whether you're hauling loads, scouting strips, guiding or just looking for a versatile backcountry platform, this Skywagon is up to the task.

\*Aircraft is located in Juneau, AK—Ferry pilot available for delivery within mainland Alaska or to the Lower 48.

Upgrades include a P.Ponk O-470-50 engine conversion, MT composite propeller, 3,190 lb gross weight increase, ART wing extensions and vortex generators. Floats and wheels are both included, giving you operational flexibility in any season.

- SA526NW / SA832EA – Edc 3430 Floats – Installed 3/20/2023
- Complete logs available

It's rare to find a 180J with this many backcountry and utility upgrades already done. The P.Ponk powerplant, gross weight bump and composite prop offer performance and payload, while the floats, wheels and mods make this aircraft a flexible, do-it-all machine. Though currently out of annual, the aircraft is in good condition and has been well maintained. Buyer may arrange a pre-buy inspection—any discrepancies will be covered by Ward Air.

Contact Rob Roy at Flybuyer Aircraft Sales: rob@flybuyer.com

All specifications subject to buyer verification. Buyer agrees to use AEROtitle escrow services for registration and funds transfer. Estimated fees are \$500, split evenly between buyer and seller. Logs and 150+ photos available to serious inquiries.
