## 1974 Cessna 182P

**\$424,900**

### Description

Exceptional, Turnkey Cessna 182P Skylane!

This 1974 Cessna 182P combines a low-time airframe with a fresh Continental O-470-S (50 SMOH) and a three-blade Hartzell prop (60 SOH), offering outstanding value and peace of mind.

The cockpit has been fully modernized with a Garmin glass suite, including dual G3X Touch displays, GTN-750Xi, GTN-650, Synthetic Vision, Smart Glide, and a Garmin GFC-500 digital autopilot with ESP, yaw damper, and return-to-level. ADS-B In/Out, SiriusXM weather, Flight Stream connectivity, and a G5 standby round out a true IFR platform.

Finished in a clean blue-and-white exterior with a comfortable four-place interior, this is a rare, no-compromise Skylane, ready to fly and built to travel.
