2006 Cirrus SR20 G2

\$189,900

Description

N14WK is a well maintained Generation 2 SR20 GTS! Fresh annual, and fully equipped with XM Weather/Audio, Stormscope, Skywatch, CMax, EMax, 3-Blade Prop, Leather Seats, and much more!

In spite of the high hours on the engine, the compressions are all in the 70s. This is ideal for a buyer as the pricing reflects a high time engine, but it is running strong and won't depreciate anymore with additional engine hours.

FREE transition training (Cirrus Embark) included with the purchase of your Cirrus from Aerista.
