## 2021 Cirrus SR20 G6

\$529,900

## Description

N323HW is a sleek G6 SR20 that has been consistently factory maintained and carefully owned since new. Always hangared and flown by an IFR-rated pilot, this single-owner aircraft reflects a high standard of care throughout.

Well equipped with air conditioning, a custom leather interior, TAWS-B, and Garmin 12" LED displays, N323HW offers a desirable configuration for both training and personal travel. The interior remains in excellent condition, and the aircraft has received a Cirrus factory control surface and paint update, contributing to its strong pedigree of ownership.

Maintenance has been diligent and well documented, with complete, organized logbooks and remaining factory warranty coverage through July 2026. Inside and out, this SR20 shows exceptionally well and is truly a turnkey aircraft for its next owner.

Cirrus Embark transition training is included with the purchase through Aerista.
