Description

R3 Aviation proudly presents N41XP, a 2002 Cirrus SR22 previously purchased and represented by R3. This aircraft features a strong Cirrus Service Center pedigree and some seriously impressive upgrades that make it stand out in today's market.

These early-generation SR22s are known for their strong performance, increased useful load, and solid reliability. N41XP builds on those strengths with modern avionics, a clean interior, and a well-documented maintenance history.

With a fresh annual (8/2025) and CAPS parachute system valid through (10/2032), this SR22 is fully turnkey and ready to provide years of dependable, worry-free ownership.
