Description

N1783J is a Generation 3 Cirrus SR22, Serial Number 3293, well equipped and professionally maintained. The aircraft features factory air conditioning, Cirrus Perspective avionics, and TKS ice protection, making it a capable and comfortable platform for serious cross-country flying. The CAPS parachute repack is not due until 2035. The original engine has just 90 hours since new. The aircraft has been thoroughly gone through by a Platinum Cirrus Service Center and has been flown 25 hours since its most recent annual inspection, ensuring it is current, exercised, and ready for immediate use.

Luke at Aerista is your go-to resource for all things Cirrus, offering expert guidance on training, insurance, financing, and aircraft performance to support every step of your ownership journey.
