2016 Cirrus SR22 G5

\$524,900

Description

N187AJ is a 2016 Cirrus SR22-G5 clean wing offering excellent value in today's G5 market. The non-FIKI configuration keeps the aircraft lighter and arguably faster than many FIKI-equipped counterparts, making it an attractive option for pilots focused on performance and efficiency.

Finished in an appealing White and Silver exterior with a Slate leather interior and 60/40 flex seating, the aircraft presents beautifully on the ramp.

Equipped with the Cirrus Perspective by Garmin avionics suite, N187AJ includes Synthetic Vision, GFC700 autopilot with yaw damper, FlightStream 210 connectivity, active traffic, XM weather, factory air conditioning, and CAPS parachute system. The aircraft completed its annual inspection in September 2025 with strong cylinder compressions reported.

Currently based in Panama, home of the world-famous Panama Canal, the aircraft remains U.S. registered (N-number). While purchasing a foreign-based aircraft may initially seem complex, it is much more manageable than many buyers expect with the right support. Kristy at Aerista can assist with logistics including inspection coordination, escrow, ferry planning, and delivery to ensure a smooth transaction. →

Add Details

Manufacturer year: 2016

Serial number: 4356

Registration number: N187AJ

Total airframe time: 1880
