Description

Experience performance, comfort, and confidence in this beautiful 2008 Cirrus SR22TN - N626RE.

Powered by the turbo-normalized Continental engine, it offers impressive speed, climb performance, and the smooth, refined handling that Cirrus aircraft are known for. The Garmin glass cockpit delivers advanced situational awareness and intuitive control, making every flight efficient and enjoyable. This aircraft has always been hangared and exceptionally well cared for — also, over the past six years, it has been meticulously maintained by a Cirrus Authorized Service Center, including all annual inspections. If you're looking for a clean, professionally maintained SR22TN with outstanding pedigree, N626RE is the one.

FREE transition training (Cirrus Embark) included with the purchase of your Cirrus from Aerista.
