Description

N68AW is an excellent SR22T with a brand new engine and overhauled prop. Runs flawlessly. Previous owner traded it in to make room for an SF50 so we are just care-taking it for the next proud owner. FIKI, Air Conditioning, EVS, 60/40 Flex seating and much more!

Embark transition training is included with the purchase of N68AW. Embark is provided entirely by Cirrus Aircraft and is subject to Cirrus Aircraft's policies and terms.
