Description

Step into a low-time, FIKI-equipped, 2013 G5 SR22T Cirrus with N427YE. With only 945 hours total time, this aircraft combines low-time reliability with the proven performance of Cirrus's flagship turbocharged platform. The SR22T is built for pilots who demand speed, range, and capability. Climb with turbocharged confidence, and enjoy the flexibility of flying above weather with a service ceiling of 25,000 feet and speeds over 200 knots!

N427YE is ready to deliver both performance and peace of mind to its next owner. Whether you're upgrading to a capable cross-country machine or seeking the ultimate personal aircraft, this SR22T G5 is an exceptional opportunity.

FREE transition training (Cirrus Embark) included with the purchase of your Cirrus from Aerista.
