## 2019 Cirrus SR22T G6

\$729,900

### Description

→ 2019 Cirrus SR22T G6 GTS (FIKI) – N26CZ

Turbocharged confidence. Parachute-equipped peace of mind. Ramp-presence included.

If you've been waiting for the right SR22T G6, this one checks the boxes and looks good doing it.

N26CZ is a 2019 Cirrus SR22T G6 GTS, finished in striking Carbon Corso Red and Sterling Silver, powered by the 315 HP Continental TSIO-550-K, and equipped with the full Perspective+ by Garmin flight deck. With just 1,020 hours total time, this aircraft sits comfortably in the sweet spot—flown, proven, and ready for its next mission.

This is a true go-anywhere, anytime machine. Certified for Flight Into Known Icing (FIKI), turbocharged for high-altitude performance, and backed by the Cirrus Airframe Parachute System (CAPS) (repack due June 2029), it's designed to reduce stress and expand capability—whether you're crossing mountain ranges, weather systems, or time zones.

Thoughtful ownership shows throughout. The aircraft has been always hangared by the current owner, has a clean logbook history, and benefits from a SureFly solid-state magneto upgrade (left mag)—a modern reliability enhancement pilots appreciate.

Inside, the Carbon Obsidian Black leather and Alcantara interior delivers that unmistakable GTS feel: modern, refined, and unmistakably Cirrus. Outside, the ramp appeal speaks for itself.

### Add Details

**Manufacturer year:** 2019

**Serial number:** 1962

**Registration number:** N26CZ

**Total airframe time:** 1020

### Additional information

**Airframe:** 2019 Cirrus SR22T G6 GTS
