2024 Cirrus SR22T G7

\$974,900

Description

N13NL is a sleek and efficient G7 SR22T, finished in an elegant all-white exterior. With its clean wing, non-FIKI configuration, this airplane offers both performance and simplicity—making it a highly desirable find in today's market.

With only 275 total hours since new, this aircraft remains in excellent condition and is covered by factory warranty through February 2027. With an empty weight of just 2,388 lbs, the clean wing (non-FIKI) design is lighter and arguably faster than GTS FIKI-equipped counterparts. Equipped with the advanced Cirrus Perspective Touch+ flight deck, it provides the full capability and situational awareness Cirrus is known for.

Offering a great entry price point into a G7 turbo, N13NL is an ideal choice for buyers looking for performance, warranty coverage, and outstanding value.

Contact Kristy today for more details and to schedule your showing.
