2021 CubCrafters NX Cub

\$479,900

Description

Meet N15NX—the perfect blend of backcountry performance and cross-country comfort. Built for STOL flying, it delivers confident short takeoffs and landings while keeping you comfortable with leather seats and a smooth, capable autopilot for longer trips.

N15NX is a December 2021 release, finished in eye-catching red with carbon accents and equipped with pulse lights for added visibility, it stands out on any ramp. Inside, the G3X and G5 avionics provide intuitive, reliable control right at your fingertips.

The CubCrafters NX Cub, boasts 26-inch Alaskan Bushwheel tires, handles rough terrain with ease, and it's easily convertible to a taildragger with a CubCrafters options package.
