## Quick info

**Listing type:** For sale

## Description

This 2002 Smith Super Cub (Experimental) offers numerous upgrades similar to those found on a CubCrafters aircraft. Equipped with skylights, Alaskan Bushwheels, Monster Shocks, cargo door, shoulder harnesses, float fittings, and more, this aircraft is built for backcountry performance and versatility.

Enjoy the rugged capability of a Super Cub with the added benefit of lower maintenance and operating costs that come with an experimental category aircraft. The Cub is pristine and well cared for.

## Piper PA-18-160 Super Cub

\$145,900
