Prop time unknown.

Inspection:**Inspection Status:**

This aircraft was previously owned by the U.S. Department of the Interior for many years. During that time, the logbooks were meticulously maintained, with detailed documentation for all work performed. Every maintenance task was accompanied by work orders and signed off by an FAA-certified repair station.

In 1991, N9786P underwent a complete rebuild by CubCrafters and was signed off by company founder Jim Richmond.

Please Inquire for digital logbooks and additional pictures.

ALL FUNDS INCLUDING THE DEPOSIT WILL GO THROUGH ESCROW.

The Seller / Agent provides the aircraft information herein to assist buyers with their consideration. Efforts are made to be as accurate as possible but errors and omissions are possible. All Specifications, features, equipment, times, status and condition are Buyer's responsibility to verify prior to closing. Seller and Agent are not liable to provide equipment, features, inspections or any consideration from errors or omissions found after closing.
