### Description

Awesome little airplane! I purchased it around 6 months ago to complete my training out of, I have finished all of my training so time to find a new home. Super clean plane with no issues. Recently out of annual, fresh interior, low time engine, IFR certified this is the perfect airplane to get your ratings in or as a time builder! It needs nothing and is ready to fly. Time will go up slightly as I will continue to fly until it is sold. Adsb in/out. Always hangared!
