# Beechcraft King Air B100

**\$895,000**

## Description

R3 Aviation Services presents N327BA, a well-maintained 1980 Beechcraft King Air B100 powered by the proven Garrett platform and upgraded with a modern Garmin glass panel and recent major inspection events.

With 13,975 hours total time and Phase 3 and Phase 4 inspections completed in November 2025, this aircraft offers strong inspection value along with updated cockpit capability. The panel includes a Garmin G600TXi, GTN 750Xi, GI-275, and S-TEC 3100 digital autopilot, delivering modern situational awareness and WAAS capability in a proven turbine airframe.

The aircraft received exterior paint and an interior refresh in 2021, is hangared at KXNX in Gallatin, Tennessee, and is equipped with Starlink WiFi for in-flight connectivity.

This King Air B100 represents a balanced turbine ownership opportunity with modern avionics, recent inspection activity, and the durability of the TPE331-powered fleet.

Located at KXNX (Gallatin, TN).  
Available to show by appointment.
