Description

Previously flown under Part 135 and meticulously maintained, this 1982 Beechcraft King Air C90 sports refreshed hot sections and recently overhauled props. A Garmin suite delivers a quality glass-panel experience, including dual G600s, GTN 650/750, GFC 600, and Avidyne EX600. The updated cabin ensures passenger comfort while the exterior features a fresh 2024 paint job. This C90 is a logical first twin turboprop for owner-flown or managed aircraft operations.
